# FROM OUR LEADERSHIP

Dear Friends of the NACCC and the Congregational Way,

Our mission statement points the way for us—*Bringing together Congregational Christian Churches for mutual care and outreach to our world in the name of Jesus Christ*. We seek to provide services and resources for our churches so they can be more successful in their ministry and to provide the means by which our member churches (and people of their congregations) can help each other.

We continue to evaluate the existing strengths and current needs of the NACCC; we prayerfully prioritize those needs, set goals, roll up our sleeves and get to work! Each Ministry Council and Leadership group is working on specific projects to improve our communication with our member churches and to provide more and better resources for them.

As we travel along the Congregational Way, there are several current projects in progress. A new, friendlier, more useful website with updated resources especially for both church and individual use is being developed. A group is evaluating the Center for Congregational Leadership, re-examining the work of the Center and how it can lead the way in adapting to the changing landscape of pastoral needs for our churches. There will be significant side trips as we seek to connect with and assist our more remote churches. NAPF and HOPE will be with us every step of the way as we work and plan together.

We look forward to the coming year, working with you, and perhaps greeting you along the way. Join us as we hit the road! Let's come together with our working hands, prayerful hearts, and generous gifts to make it a year dedicated to serving God and to advancing the Congregational Way.

*We ought always to give thanks to God for you, brethren, as is only fitting, because your faith is greatly enlarged, and the love of each one of you toward one another grows ever greater.*

# A MESSAGE FROM OUR BOARDS

Dear Member Churches, Stakeholders and Friends,

On your behalf, the Board of Directors (BoD) has been working diligently this year in our capacity of the governing board in all NACCC legal and financial matters. Significant accomplishments included; approving a new personnel handbook for NACCC staff, filing a new set of articles with the State of Wisconsin, the filing for an updated 501(c) 3 charitable status with the Internal Revenue Service and approving a balanced 2017/18 budget. Turning our attention to the Oak Creek office, we provided staff authorization for interim repairs, a real estate appraisal, property wetland evaluation and planned move of the Office of the Executive Director from Olivet, MI to Oak Creek, WI.

It has been a pleasure working with the other members of the BoD, the Leadership Council, the Board of Governors and the entire staff of the NACCC. Thank you for this opportunity.

*James Waechter*

James Waechter  
Vice Moderator  
Chairman of the Board of Directors

Dear Members and Friends of the National Association of Congregational Christian Churches,

The Congregational Foundation (CF) provides fund development, planning and communications in support for the work of your National Association of Congregational Christian Churches (NACCC). The Board of Governors (BoG) have the fiduciary responsibility to ensure that all gifts and invested funds are managed well, allocated in accordance with donor's wishes, and help ensure that our Ministries Councils are adequately funded. Through the generosity of our donors, the CF endowment distribution to the NACCC amounted to slightly over \$97,900.

The BoG, along with the Development and Communication staff, Debby Fulton and Morgan O'Hara focused their efforts this year on assessing and restructuring the Development and Communication program and establishing a plan to help increase financial support.

Looking ahead, we have begun work on building a Case for Support. This will provide the essential messaging as to the importance of the NACCC's work while encouraging donor's contributions to help secure the future success of the NACCC.

We appreciate your support,

*T. Varn Philbrook*

## Leaving a Legacy

**Hubert Dana Goodale (1879–1968)** recognized the importance of advancing the Congregational Way by leaving a generous planned gift to the National Association of Congregational Christian Churches (NACCC). His bequest arrived at the NACCC shortly after the death of his daughter **Marion P. Goodale (1913–2016)**. Following in her father's footsteps, she also supported the NACCC through a planned gift.

Mr. Goodale (right) committed his life and career to the advancement of poultry and cattle genetics. His contribution in the study of applied genetics helped to improve farming through increased production.

Marion Goodale (left) grew up in Williamstown, MA, attended the First Congregational Church of Williamstown and became a teacher after graduating college in 1934.

The NACCC is extremely grateful for the generous gifts from Hubert Goodale and his daughter Marion, and to their commitment to advancing the Congregational Way. Their support allows the NACCC and its member churches to promote diversity in thought in theology, while still coming together in fellowship in the name of Jesus Christ.
