## *of our Missions*

Spring 2023

A quarterly publication of the **Mission and Outreach Ministry Council**  
*Updates provided to Julie Robie, Missions Coordinator*

### A Christian Ministry in the National Parks, Colorado

**From Amy Kennedy, Co-Executive Director:** Would you like to be a prayer partner for a team member during their 2023 ParkLife summer season? **An ACMNP Prayer Partner is** someone who takes interest in the life of team members during the summer season to encourage and support them during one of the most transformative seasons in their lives. The main requirement of this role is committing to pray for your team member(s) throughout the entirety of their summer season, anything beyond this is optional! Some other ways you can support your prayer partner is sending an occasional word of encouragement (email, postcard, letter, text, call, etc.), sending a fun “welcome to the park” package, or simply letting them know you are available and care.

If you are interested, please contact Kourtnie Stenwall, Program Assistant, [kstenwall@acmnp.com](mailto:kstenwall@acmnp.com)

### Asociacion Civil Cristiana Congregational, Argentina

**From Rev. Dr. Harding Stricker, MD, President:** We have added a new area of service, a Secondary School designed for adults who did not finish school before turning 18. This program includes computer and sewing classes. The government is sponsoring teacher salaries. Secondary School is held Monday through Friday in classrooms used later in the week for Sunday School and Youth Group. Please pray for the recovery of our country’s economy without social unrest and without major devaluation of our currency. [www.accc-ja.com](http://www.accc-ja.com)

## ECHO Global Farm, Florida

**From Danielle Flood, PR & Communications Manager:**

When ECHO began work in Florida, one of the first buildings to be constructed was the A-Frame, completed in the 1970's by United Methodist volunteers. The building was the heart of ECHO's ministry throughout the 1980's, housing offices, the Seed Bank, and small apartments. We are excited for the next era of the A-Frame! Work has begun to remodel the building to include high-capacity downstairs kitchen – making cooking and cleaning for groups more efficient and cost-effective. The second floor will offer bunkhouse-style accommodations for larger groups who want to serve and learn, but do not currently have space at ECHO's campus. We are looking for donations of used (but excellent condition) kitchen fixtures.

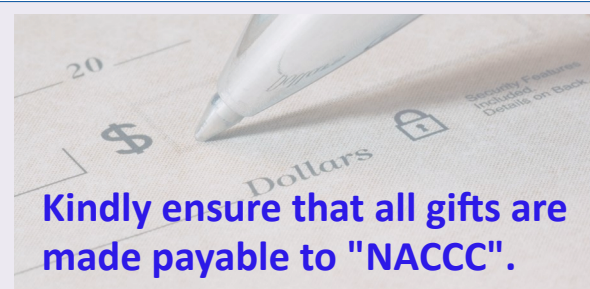

*The next era of the A-Frame!*

## Hosanna Industries, Pennsylvania

*Daisy Girl Scout Troop with items for women and children*

**From Katie DeJournette, Director of Fleet and Facility and Church Relations:** Hosanna's 2023 Holy Week Blitz offered a new beginning for women and children in crisis. Mission workers mobilized 123 volunteers for four days of blitz rehabbing of a building donated to the Women's Help Center where women in crisis, along with their children, are given care in a safe environment and preparation to re-enter the world. The building was ready for dedication by mid-Maundy Thursday. The dedication included presentations of a loaf of bread symbolizing the body of Christ, a Bible, and a Blueprint of Jesus poster which also hangs in the buildings at Hosanna. The Center was then presented keys to the building. Because there were so many volunteers, additional work was done on another building. Volunteers from all age groups and skill levels included folks from Girl Scouts, schools, banks, churches, and retirees. [www.hosannaindustries.org](http://www.hosannaindustries.org)

**Kindly ensure that all gifts are made payable to "NACCC".**

To ensure that your contribution reaches the intended purpose, please indicate your desired gift designation in the memo line.

*Thank you for your support.*

## Love Worth Sharing Haiti

**From Rev. Jim Owens, Director:** On March 20<sup>th</sup>, I made a trip to Miami to ship 27 boxes of clothes and choir robes to Haiti. Our next shipment will go in August and will include items for Christmas. This year, Christmas came in April to our two locations in Port-au-Prince. We are still working on getting items flown down to Maniche. Ezechiel (Haitian Director) found a driver to take the shipped items to Maniche but the driver wanted \$600.00 USD to drive because gas stations are still very short on fuel so prices are high and he would have to pay off gangs to travel the road over the mountain. This ministry is not about to support the gangs' lifestyle, so we will pay the cost and use a local commuter airline to fly the cargo. We want to thank everyone who continues to support us with prayers, finances, and items as we share the Gospel across Haiti. [www.jesusloveshaiti.org](http://www.jesusloveshaiti.org)

*Christmas Joy!*

## Word Alive Mission, Ghana and Ivory Coast

**From Rev. Charles Nyane, President:**

Over the next six months, a Church Growth and Planning Training Program for pastors and leaders is being planned. A committee will be set in place to review the Constitution of the mission.

We endeavor to

complete the work on the toilet facility being built, now that the roof is completed. We are continuing renovations at the Christian School building block which will be followed by painting. The construction of the superstructure of the hospital and the construction of the Mission Retreat House continues. We at the mission are grateful for the many prayers and support of the NACCC/MOMC which empowers us to pursue activities and programs. Lives are being touched and blessed of the Lord. **Facebook page: Word Alive Mission-Ghana & Ivory Coast**
